

HAPPY INDEPENDENCE DAY 2022

HAPPY 76 TH INDEPENDENCE DAY TO ALL.

It was pleasure to have our Chairperson Sir Mr. Harish Chauhan, Director Mrs Anjana Chauhan, Shri Rahul Singh Member Gr. Noida Authority and Shri Sukhveer Pehlwan leader of the Kissan Union, Noida and inspiring us all who graced this year Independence Day with their benign presence. They have always supported us in all our endeavors. Their efforts towards taking education to every member of the society, and providing scholarships to children of army , police personnel and single mothers is an act of great vision and mission. This act has given our society a means of moving on even during harsh times like the ones created by the Pandemic. It is indeed an act of a Karmveer to keep the ball of education rolling in this 75th Amrit Mahotsav year of our Independence. I take this opportunity to thank them for always motivating us.

The year 2021-22 has been amazing. I would like to call it the Golden Period of our School's History. Our children excelled in extra curricular activities based on themes related to our 75th Independence Day such as the extravagant Annual Function 'I Am INDIA' held on 27th February 2022. Children got to experience the culture and customs of our country through various Historical acts and also learnt lessons of the sacrifices that our freedom fighters had made to set us free. Not only did they excel in extra curricular activities, but they also came up with excellent results in CBSE board exams. I would like to thank the parents of the children who have topped the CBSE exams for always supporting their children. One of the winners of the academic and achievement trophy in CBSE Boards Sathi Ray had very confidently spoken on our Annual Function, saying that dear all, please don't worry about us. We have been labeled as the COVID batch and all felt that hamara kya hoga, but the Pandemic has made us more resilient. Today she is here along with others of the so called COVID Batch proving the truth of what she had said. Thank you all for making us proud of you.

This Year's Independence Day Program (15.08.2022) is the culmination of this fantastic year. Through our play on Karam veers we helped the children to understand that even after we attained Independence in 1947, there are many people who walked the extra mile, made personal sacrifices to keep the flag of India's freedom flying high. Kudos to the team of teachers and children who showed us the sacrifices of such stalwarts and martyrs of the Kargil War.

The children displayed our culture through dance and music, the Janmashtami celebrations and the sisters who prayed for their brothers when they went to protect the country from invaders giving us the theme for the program as Raksha Diwas. It was indeed a pleasure to see how enthusiastically the children participated. I would like to Congratulate children and parents.

It is impossible not to mention here the Prabhat Pheri activities wherein our children went on a procession with the National Flag all around our school neighborhood, lighting a flame of patriotism in the hearts of our fellow Indians. The slogan writing, poster making and painting competitions on this occasion are indeed a true tribute to all those who have bravely given their lives for this Great country called India.

I would like to conclude with a quotation spoken by Jawaharlal Nehru taken from a poem by Robert Frost: 'The woods are lovely dark and deep. But I have promises to keep, and miles to go before I sleep, And miles to go before I sleep' Unquote.

Congratulations..... to all those who attended the 'Raksha Diwas' program.

Wish you a very Happy Independence Day.

Thank You

***Sadhvi Verma
